**CITY OF LOWELL TO LIFT PARKING BAN AT 4 P.M. FEBRUARY 10, 2015**

Effective at 4 P.M. on February 10, 2015, the Superintendent of Police has lifted the No Parking Ban on City streets. Anyone who has parked their vehicle in a City owned parking facility must remove it by 6 P.M. to avoid incurring parking fees.

Even though the parking ban will be lifted at 4 P.M., residents are reminded that, in order to park on a public way, snow must be removed all the way to the curb. Parked vehicles may not hinder traffic flow. Any vehicle that is parked in a manner as to impede traffic flow shall be subject to a parking citation, and removal of the vehicle at the owner's expense.

Over the coming days, DPW crews will continue snow removal efforts in select neighborhoods, which will require temporary removal of vehicles. Emergency No Parking signs shall be posted in these neighborhoods prior to the snow removal, providing ample notice to those affected.

The police department would also like to take this opportunity to remind residents to ensure that the heating and dryer vents to their homes remain clear of snow.

Thank-you.
